

Timceramic co. Since 2013 started with internal power and technical knowledge for glass mosaic production. Timglass have some different collection for different places

- Elysian - Series for Pools (indoors and outdoors)
- Luxury Series - for decoration
- mescolare - Series for kitchen backsplash and other places

These products in comparison with other ceramic tiles have firmness luminosity and more beautiful and also ,it seems that with lighting can be look very shining, and create eye-catching wall decor.

Now ,glass mosaic and crystal tile is one of the important in inner building decoration such as pool lobby ,bathroom and other places.

At last Timglass can design and produce according customer mentality.

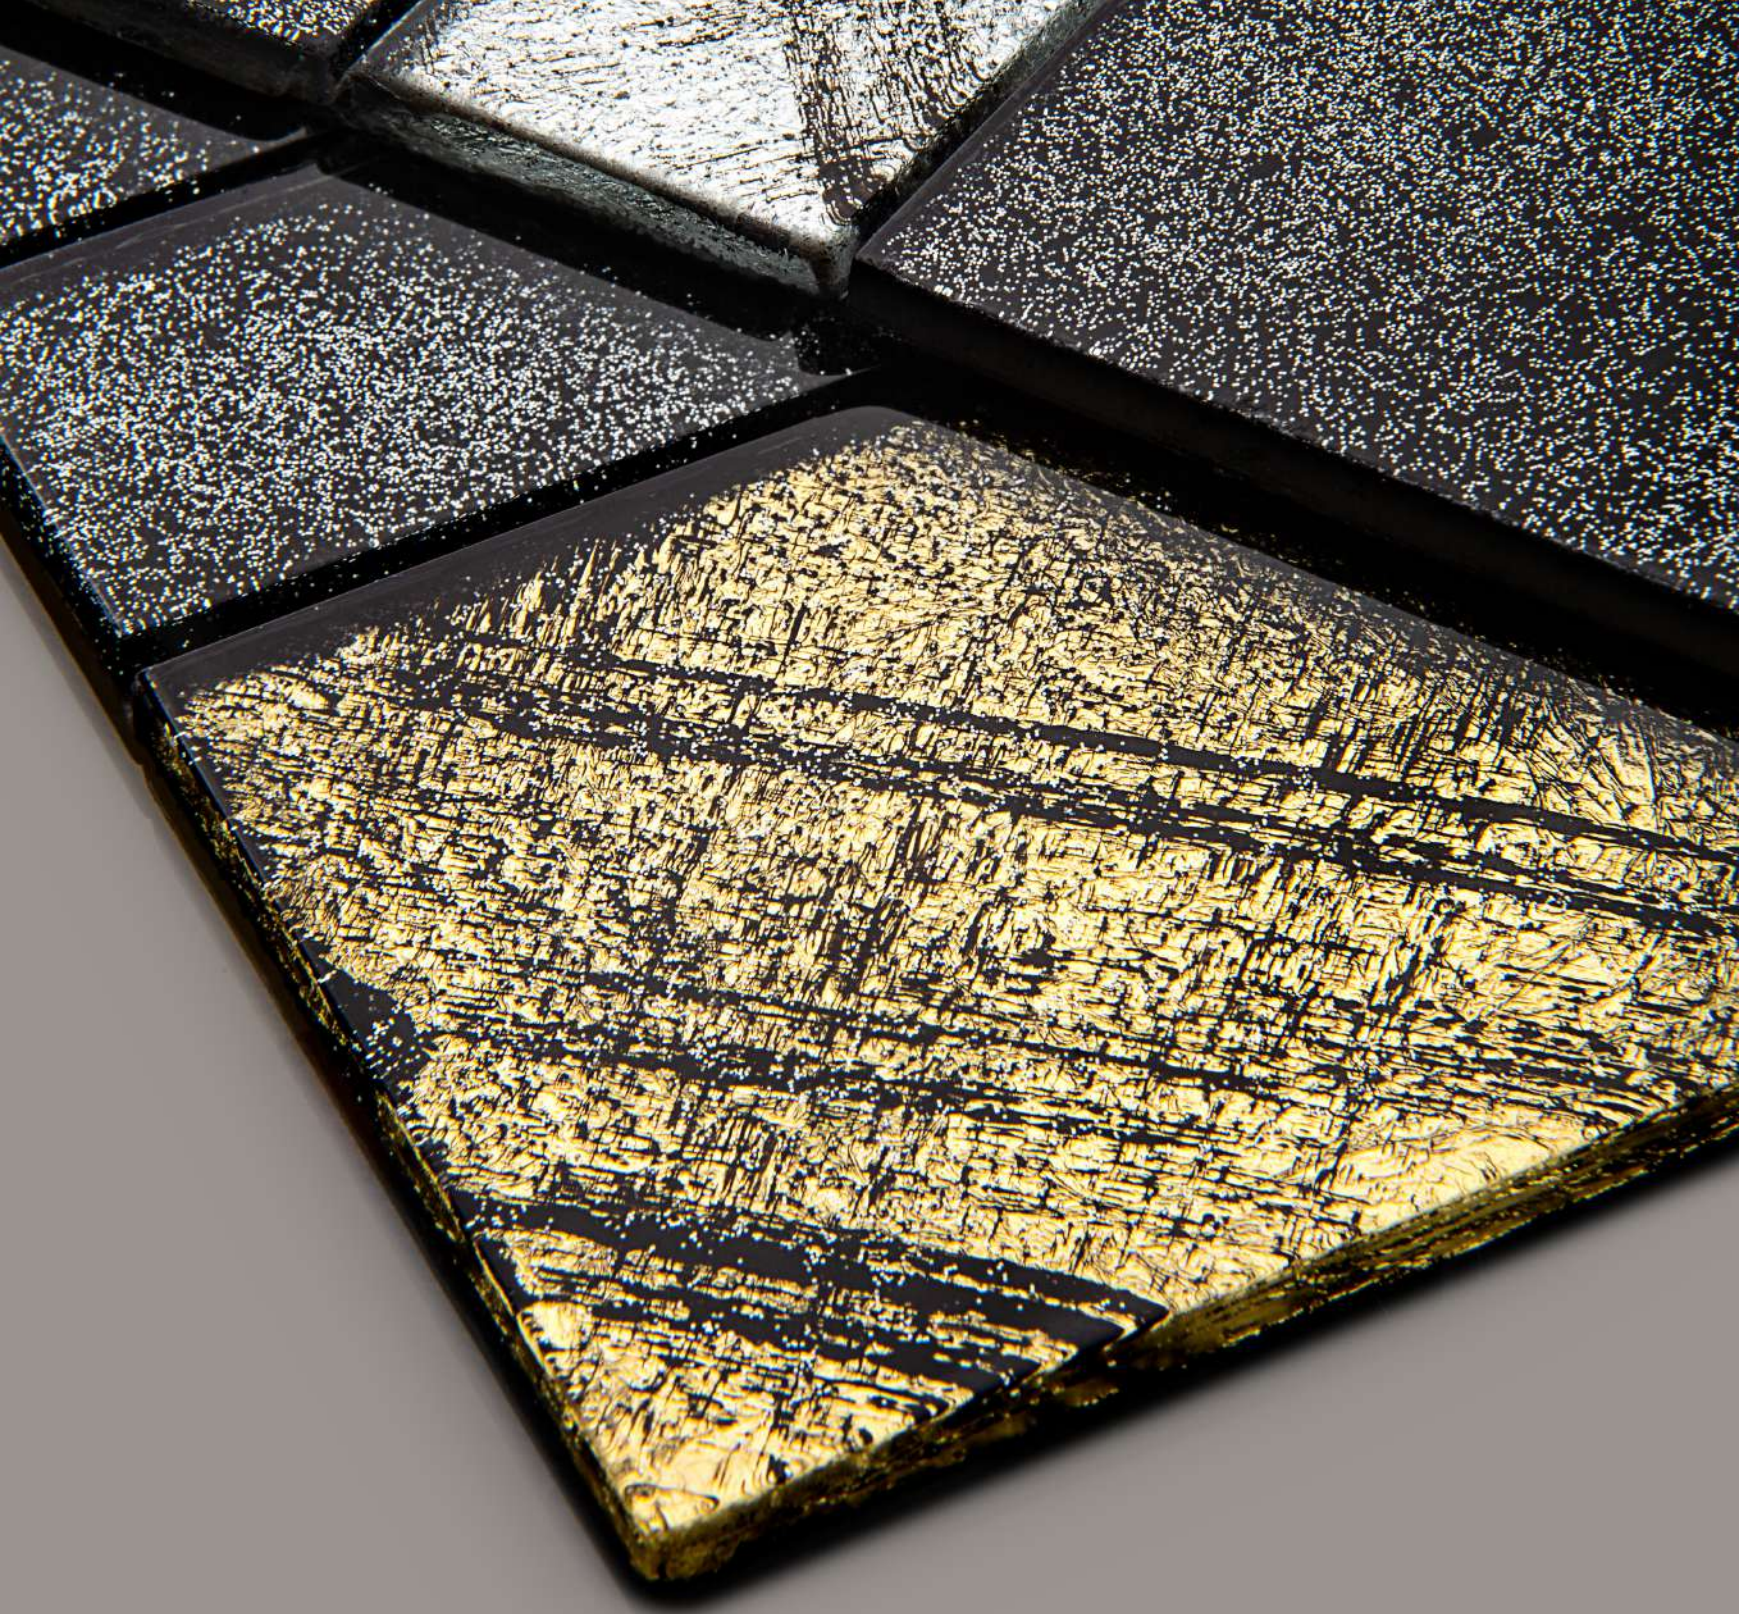

THE SKY IS OUR LIMIT

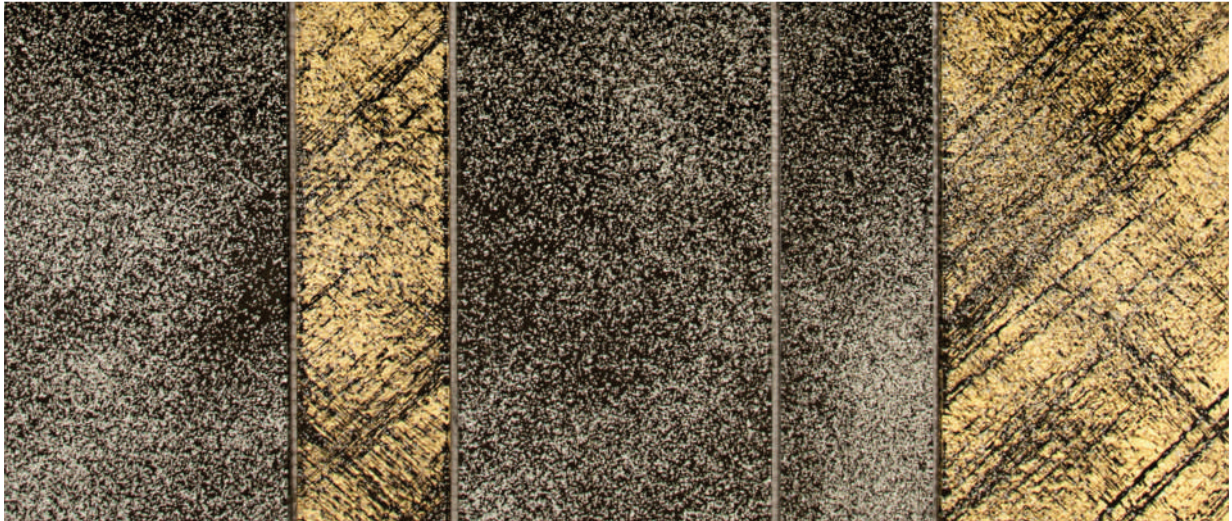

Luxury Collection

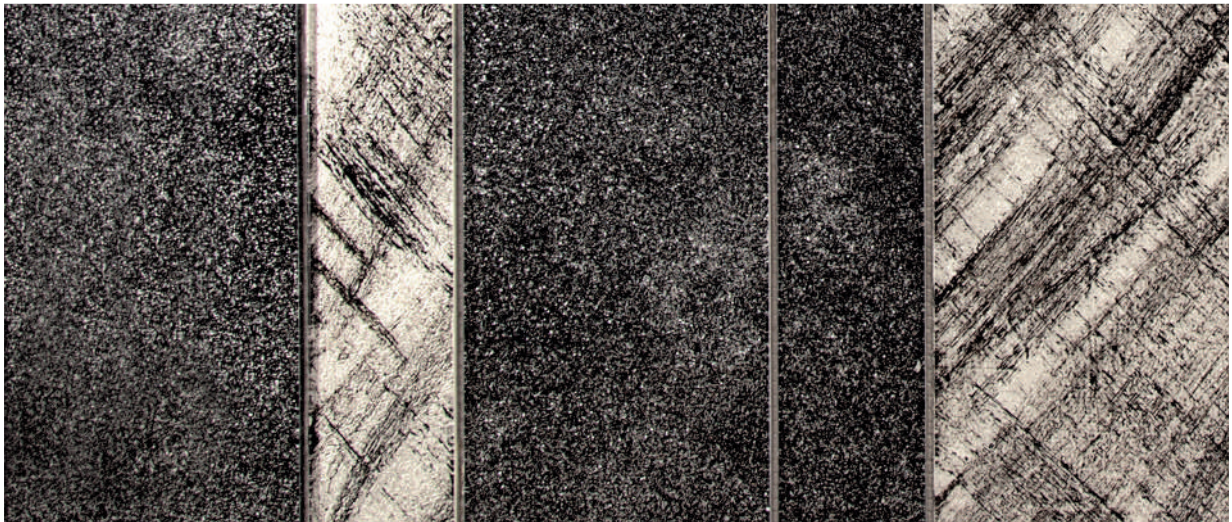

This products in comparison with other ceramic tiles, have firmness luminosity and more beautiful and also, it seems that with lighting can be look very shining.
